SOCIETY OF PHARMACOLOGY - The advent of home by the name of Indian Society of Pharmacology is a clear token of the foresightedness of the mastermind's beings footing the desk of herbs and their products since time immemorial. The society took birth 36 years back with its headquarters at Punjab University, Chandigarh with the aim of exploring the benefits of the flora and fauna for the human welfare. The society worked being not alone unarmoured, and later found that print media is the prominent source to touch the masses. With this intention, society started to publish a quarterly journal by the name of 'Indian Journal of Natural Products', meanwhile with a new headquarters at Sagar University, Sagar. The Department of Pharmacy, Barkatullah University, Bhopal enjoyed the pleasure of being the HQ of the society from 2005 to 2014. To the latest Department of Pharmaceutical Sciences, Dr. H.S. Gour Central University, Sagar is the current HQ of the society with effect from March 2014.

Society of Pharmacology is a national body of Pharmacy Professionals not only belonging to the stream of Pharmacology, but all the other disciplines in function till date. The quality of services being delivered in succession by the society could be assessed by the fact it has members not only from India but from all round the globe.

VJ's COLLEGE OF PHARMACY - VJ's College Of Pharmacy is among the leading colleges of Andhra Pradesh, established in the year 2007 in Rajahmundry. With the help of highly experienced and passionate team of professors with good educational practices, we strive to achieve excellence in education and knowledge. We aim to promote this excellence in the field of Pharmacy and prepare upcoming generation to face challenges in the different Pharmaceutical industries like research, education and development. We prepare our students for national and international needs. As practical knowledge plays a vital role in pharmacy profession, the creation of our college is made mainly considering two factors, qualified faculty and highly equipped laboratories.

We offer B.Pharmacy (160 seats) at UG level and M.Pharmacy in Pharmaceutical Technology (15 seats), Pharmaceutical Analysis (15 seats) and Pharmacology (15 seats) at PG level courses with all necessary approvals from AICTE - New Delhi, PCI - New Delhi, AP State Government and is affiliated to Andhra University.

ABOUT THE CONFERENCE - Sasi Godavari district is having 336 sq km of forest area some we would like to mention. Forest, Forest, Mandarim warden girth forest, Sandrapati Forest, Chintar, Adilabadga - World famous Kadiyan nurseries spread in 3500 acres in 11 villages of Kadiyan Mandal, 10 km from Rajahmundry, from the above areas we are identifying plants having more potent therapeutic activities, both the medicinal and ornamental plant species were developing by various horticultural technologies by the farmers in the nurseries surrounding areas of Rajahmundry.

There are around 30 Pharmacy colleges offering B.Pharm, M.Pharm and Pharm.D Courses affiliated to Andhra University and JNTU Kakinada in coastal region of Andhra Pradesh, these colleges are having around 8000 students including students from foreign countries. 700 staff members and research scholars and around 50 physicians practicing the ancient systems of medicines. We encourage all of them to participate in various events and attend the conference by promoting the event by personal interactions with the Management, Principals, Scientists, Research Scholars, Herbalists, Local community and industrialists for participation in the mega event in various themes and also presentations such as Plenary lectures by eminent scholars, poster presentations, oral presentations, workshops and Exhibitions.
